ORGANIC SOLUTIONS

HotRot[®]

This year has been a challenging one for many businesses globally, but for HotRot 2009 has seen market interest in our technologies grow stronger than ever.

Much of the credit for our continued growth goes to our clients, partners and suppliers. It is your support and commitment that keeps us moving forward and offering solutions that will safeguard the Earth for future generations. We value the support you have given us throughout 2009 and look forward to doing business with you in the New Year.

**The HotRot office will be
closed from Thursday
24 December 2009.**

**We reopen for business on
Monday 11 January 2010.**
